Old,
but good

EN

The Number 20 Collection, with so many traditional wood bends all by hand, references our brand's most iconic models, the Number 14 and Number 18 chairs. This family, however, has a padded curved backrest for even greater comfort. The classic cane weave is the most common option for this chair and can only boost the style factor, but there is also an upholstery option, which makes it suitable for a wide variety of interiors.
